Selling Guide Updates

The Selling Guide has been updated to include changes to the following topics:

- Changes to ARM Products Available for Whole Loan Committing
- Addition of Links to Desktop Underwriter® (DU®) Quick Steps
- Miscellaneous Selling Guide Update

Each of the updates is described below. The affected topics (and specific paragraphs) are noted for each policy change. Lenders should review each topic to gain a full understanding of the policy changes. The updated topics are dated August 30, 2011.

### Changes to ARM Products Available for Whole Loan Committing

Over the years, Fannie Mae expanded the number of adjustable-rate mortgage (ARM) products available for whole loan committing in eCommitting™ and eCommitONE™ to parallel those available for MBS issuance. Many of the ARM products have had little or no whole loan delivery volume. In order to align whole loan ARM product offerings with current MBS market conditions, Fannie Mae is streamlining the number of ARM products available for whole loan committing. Effective December 1, 2011, Fannie Mae will offer only the following whole loan ARM products:

<table>
<thead>
<tr>
<th>Whole Loan ARM Products</th>
<th>Available in eCommitting and eCommitONE</th>
<th>Available in eCommitting only</th>
</tr>
</thead>
<tbody>
<tr>
<td>LIBOR Index Nonconvertible</td>
<td>ARM types - 1/1, 3/1, 5/1, 7/1, 10/1 Plans: 2721, 2723, 2725, 2737, 2727, 2729</td>
<td>FHA ARMs CMT Index ARM types - 1/1, 3/1, 5/1, 7/1, 10/1 Plans: 515, 3549, 3550, 3640, 3551, 3552</td>
</tr>
<tr>
<td>Interest-only LIBOR Index</td>
<td>ARM types - 3/1, 5/1, 7/1, 10/1 Plans: 3514, 3505, 3516, 3518, 3225</td>
<td>MyCommunityMortgage® LIBOR Index Nonconvertible, ARM type – 5/1 Plan: 2725</td>
</tr>
</tbody>
</table>

The Selling Guide has also been updated to incorporate edits to several ARM-related topics to reduce unnecessary repetition. Furthermore, additional references to the Standard ARM Plan Matrix have been added where appropriate. (None of those edits represent policy changes.)

Refer to the Standard ARM Plan Matrix on eFannieMae.com for a detailed description of all ARM products, including those that will continue to be available for whole loan commitments in eCommitting and eCommitONE.

Note: The Eligibility Matrix documents a number of eligibility requirements that pertain to loan eligibility; however, it does not include specific ARM plan eligibility. Lenders are expected to review the Selling Guide to determine the ARM plan(s) that are eligible for any specific transaction. As a reminder to lenders, a statement to this effect has been added to each chart in the Eligibility Matrix on eFannieMae.com.
