Short Sale Offer Acknowledgement

Servicing Guide D2-3.3-01, Fannie Mae Short Sale has been updated to extend the number of days by which the servicer must acknowledge receipt of the short sale offer from three to five business days from receipt of the initial short sale offer.
Effective Date
The servicer is encouraged to implement this policy change immediately; but must do so by October 1, 2016.

Pooled from Portfolio (PFP) Mortgage Loans
Fannie Mae will soon be issuing MBS pools containing mortgage loans that were previously reclassified into our portfolio. To help facilitate this, Servicing Guide A2-1-02, Servicer’s Duties and Responsibilities Related to MBS Mortgage Loans and Servicing Guide F-3-16, Glossary of Fannie Mae Terms: P have been updated with a revised definition for Pooled from Portfolio (PFP) to include such mortgage loans.

In addition, we are reminding servicers that when we notify you of mortgage loans that have been securitized into an MBS pool, you must code these mortgage loans in your records as MBS mortgage loans as soon as possible and service them in accordance with the provisions of the Servicing Guide applicable to MBS mortgage loans.
