

BULLETIN

SHIPPING AND DELIVERY APPLICATIONS SCHEDULE

This Bulletin is issued in accordance with the section of the Fannie Mae Software Subscription Agreement (the “Agreement”) entitled “Issued Bulletins; Amendments,” and amends and restates the Single Family Shipping & Delivery Applications Schedule (the “Old Shipping & Delivery Schedule”) as set forth in the attached Single Family Shipping & Delivery Applications Schedule (the “New Shipping & Delivery Schedule”).

Among other things, the New Shipping & Delivery Schedule addresses and/or provides for:

Section 1 Licensed Application. It is now noted that a new module known as “ASAP Plus” has been incorporated into Loan Delivery and will be made available on an “as permitted” basis.

Section 4 Pricing & Execution – Whole Loan.

The first sentence in paragraph (b) has been revised for clarity.

Paragraph (g) has been divided between paragraph (g) and what is now a new paragraph (h). Old paragraphs (h) through (j) now are identified as paragraphs (i) through (k).

An acknowledgment that there is no recourse to Fannie Mae related to information obtained from the Licensed Application. has been moved from what is now paragraph (h) to paragraph (g).

In paragraph (i), reference to the eCommitONE/Servicing Execution Tool Mortgage Loan Servicing Purchase and Sale Agreement set forth in the Selling Guide has been deleted.

An agreement that Fannie Mae may provide Active Servicers: (i) all data (except loan sale pricing) pertaining to commitments in which servicing is released to them and (ii) data and analytics pertaining to their servicing bids is now included in paragraph (j).

In paragraph (j), Licensee acknowledges that Active Servicers’ SRP information obtained by Licensee while using the Licensed Application is confidential information that must be protected in accordance with the Selling Guide.

Section 7 Section 7, entitled “Access Code,” has been replaced with a new Section 7, entitled “Loan Delivery” and the Section entitled “Access Code” is now Section 9.

Paragraph (a) establishes that results issued by the Licensed Application will not constitute a commitment to purchase the loan by Fannie Mae.

In paragraph (b), it is established that Fannie Mae makes no representations and warranties that all errors or issues that may delay the purchase of a loan will be identified by the Licensed Application.

Pursuant to paragraph (c), Licensee is responsible to insuring that its entries in the Licensed Application represent its intentions.

Licensee is responsible for the authorization and accuracy of the transactions it makes using the Licensed Application and Fannie Mae is under no duty to verify them, according to paragraph (d).

Section 8 Section 8, entitled “Entire Agreement,” has been replaced with a new Section 8, entitled “Wire Administration.” The terms of Section 8 apply whenever a licensed application includes a wire administration functionality (the functionality being the “Licensed Application” under this Section).

Paragraphs (a), (d) and (e) obligate Licensee to ensure the Licensed Application contains accurate and authorized wiring instruction information, including relationship associations, and establish that Fannie Mae is entitled to rely on wiring instructions maintained in the Licensed Application by Licensee.

Paragraph (b) requires Licensee to instruct its warehouse lenders to place the name of the warehouse lender in the header of its bailee letters.

Paragraph (c) obligates Licensee to cooperate with its warehouse lenders and disbursement agents in their efforts to ensure that accurate wiring instructions are maintained in the Licensed Application.

All of the terms and conditions of the Agreement as supplemented by the New Shipping & Delivery Schedule shall continue in full force and effect. Capitalized terms used in this Bulletin but not defined herein shall have the meaning ascribed to them in the New Shipping & Delivery Schedule and the Agreement. In the event of any inconsistency between or among the provisions contained in the Agreement (including the New Shipping & Delivery Schedule) and this Bulletin, the provisions of the Agreement shall govern.

For avoidance of doubt, “Documentation” shall include, in addition to those materials identified in the Master Terms, results reports and other reports generated by the Licensed Application.

3. EarlyCheck. The following terms shall apply with regard to EarlyCheck (the “Licensed Application” under this Section).

(a) Definitions. In the Section of the Master Terms captioned “Definitions,” the definition of “Authorized User” is replaced with the following:

"Authorized User" shall mean any employee, individual Independent Contractor or employee of an Independent Contractor of Licensee, or loan origination or other system used by Licensee, who or which, to the extent required by Fannie Mae, Licensee has registered through Fannie Mae’s user registration process relating to the Licensed Application and has been issued an active Authentication Credential. The term “Authorized User” refers additionally to any loan origination or other system that constitutes a Third-Party Application (as defined below), but only to the extent such system specifically facilitates Licensee’s access to and use of the Licensed Application.

(b) Definitions. In the Section of the Master Terms captioned “Definitions,” the definition of “Independent Contractor” is replaced with the following:

"Independent Contractor" shall mean any individual or company who: (a) is an independent contractor and (b) is actively providing services to Licensee, as its agent, that require access to the Licensed Application.

(c) License. The Section of the Master Terms captioned “License” is replaced with the following:

Provided that Licensee is an Approved Lender, and subject to the terms and conditions of this Agreement and compliance therewith by Licensee, during the term of this Agreement, Fannie Mae grants Licensee a non-exclusive, non-transferable license (a) to access and use the Licensed Application through its Authorized Users only, (b) to use the Documentation, and (c) if Fannie Mae has provided Codified Findings to Licensee, to (i) populate Licensee’s database and/or other downstream systems with data points, (ii) create automated decisioning and actionable items based on data parsed from the Codified Findings, (iii) customize, add or suppress messaging to be compatible with Licensee’s specific requirements, and (iv) create reports and analyses.

(d) Restrictions on Use. Subsection (b) of the Section of the Master Terms captioned "Restrictions on Use" is replaced with the following:

Licensee shall only access and use the Licensed Materials for its own internal business purposes and in association with loans Licensee is considering for sale to Fannie Mae. Without derogating from the generality of the foregoing, (i) Licensee shall not access, use or allow others to access or use the Licensed Materials in a multiple-use arrangement or as part of a service bureau, and (ii) Licensee shall only access and use the Licensed Materials in support of its mortgage industry activities.

(e) Codified Findings. In the event that Fannie Mae, in its sole discretion, provides Licensee with Codified Findings, Licensee agrees that (i) the Codified Findings are subject to change at any time and from time to time and that Licensee develops code based upon the Codified Findings at its own risk, cost and expense, (ii) neither Licensee nor any Third-Party Provider utilized by Licensee shall modify, alter or translate the Codified Findings in such a way as to materially alter the substance of any results issued by the Licensed Application, and (iii) in the event that there is any inconsistency between the results issued by the Licensed Application and the material contained in the Codified Findings, the results issued by the Licensed Application shall govern. Licensee further acknowledges and agrees that the Codified Findings are provided as a convenience only, and that Licensee's use of such Codified Findings may result in liability under existing laws, rules or regulations, and under agreements to which Licensee is a party. Any liability resulting from

Licensee's use of the Codified Findings is solely Licensee's responsibility, and Fannie Mae, its Third-Party Licensors and its Third-Party Providers shall not be responsible in any way for any such use or liability.

(f) Results Issued by Licensed Application. Licensee acknowledges, understands and agrees that: (i) any results issued by the Licensed Application will not constitute an approval or denial of the Mortgage Loan Application by Fannie Mae or a commitment to purchase the loan by Fannie Mae and (ii) Fannie Mae makes no representation or warranty that the Licensed Application will identify any or all errors or issues that may cause Fannie Mae to delay or decline to purchase a loan or, following purchase, to require the repurchase of a loan.

(g) Notification to Borrower. Licensee expressly understands and agrees that it bears sole responsibility for any disclosure and other obligations arising under federal and/or state statutes and regulations relating to Mortgage Loan Applications and that such obligations shall in no event be considered imposed upon or shared by Fannie Mae by virtue of Licensee's use of the Licensed Application.

(h) Validation Identification Numbers. Licensee's disclosure of a Validation Identification Number to a third party, either for due diligence purposes or otherwise, shall be deemed to be Licensee's consent to the third party's access to that collection of data assigned such Validation Identification Number (for which Fannie Mae shall have no liability) and authorization to Fannie Mae to provide the third party with such access. For purposes of this Section entitled "EarlyCheck," the term "Validation Identification Number" shall mean that unique identifier assigned by the Licensed Application to a collection of data related to a Mortgage Loan Application which may include underwriting recommendations, data comparisons, data validations, reports and other information.

4. Pricing & Execution – Whole Loan. The following terms shall apply with regard to Pricing & Execution – Whole Loan and its servicing-released components (the "Licensed Application" under this Section) and the underlying business methodologies thereof:

(a) For purposes of this Section entitled "Pricing & Execution – Whole Loan," the term "Authorized User" shall include individuals: (i) working for service providers retained by Licensee to perform mortgage-related services on their behalf that require access to the Licensed Application and (ii) who have obtained Authentication Credentials as a result of Licensee's actions. Licensee acknowledges and agrees that actions of Authorized Users shall be deemed to be actions of Licensee and Licensee guarantees the full performance of all obligations under the Agreement by such Authorized Users and the service providers whose services they perform.

(b) Licensee is solely responsible for ensuring that individuals performing transactions using the Licensed Application are authorized to perform those transactions. Licensee understands and acknowledges that the Licensed Application enables Authorized Users to access all of Licensee's data in the Licensed Application, including data that is irrelevant to services they are performing. Licensee accepts sole responsibility for the data access of its Authorized Users and indemnifies and holds Fannie Mae harmless from all claims and liability arising from that access.

(c) Except as provided in paragraph (d) of this Section, Licensee acknowledges that Licensee's transmission of commitments will only be binding on Fannie Mae if Licensee receives a confirmation from Fannie Mae via the Licensed Application, which includes the corresponding commitment number. Such commitment number shall be Licensee's confirmation of a binding commitment between the parties.

(d) Licensee agrees and acknowledges that in the event of a failure of the Licensed Application to issue a confirmation of Licensee's commitment, Licensee shall immediately call Fannie Mae at (800) 752-0257. If Fannie Mae had not received such commitment information from Licensee, no commitment will have been effected and Licensee will be so advised. If Fannie Mae received such commitment information, Licensee will be given a commitment number during such call and a commitment will have been effected. The Licensed Application will issue a confirmation of the commitment. Licensee and Fannie Mae agree that commitments, pair-offs, extensions and over-deliveries obtained via telephonic means, as described in and

in compliance with the Selling Guide, are binding on the parties to the same extent and pursuant to the same requirements as those obtained via the Licensed Application. If a commitment, pair-off, extension or over-delivery is obtained telephonically and the telephone conversation between Licensee and Fannie Mae is recorded by Fannie Mae, the terms recorded in the voice recording will take precedence over the terms set forth in the confirmation where the voice recording and the confirmation conflict. Notwithstanding the above, Fannie Mae reserves the right to refuse to enter into telephonic commitments at any time.

(e) The parties agree that a pair-off, extension, or over-delivery as well as an automatic extension or pair-off, as the case may be, will be effective only if Licensee receives confirmation of such transaction from Fannie Mae via the Licensed Application. An “extension” occurs when Licensee obtains an additional period of time within which to meet the requirements of a commitment, in accordance with the provisions of the Selling Guide. A “pair-off” occurs when Licensee repurchases all or part of a mandatory delivery commitment in accordance with the provisions of the Selling Guide. An “over-delivery” occurs when Licensee delivers more than the mandatory delivery commitment in accordance with the provisions of the Selling Guide. Fannie Mae reserves the right to refuse requests for pair-offs, extensions and over-deliveries at its sole option. Licensee agrees that the definition of “Subscription Fees” as set forth in the Master Terms shall include fees associated with pair-offs, extensions and over-deliveries and Licensee shall pay the same in accordance with the Section of the Master Terms entitled “Fees, Taxes and Billing.”

(f) Licensee and Fannie Mae agree that mandatory and best efforts commitments obtained via the Licensed Application are binding on the parties as described in the Selling Guide and are subject to the requirements of the Selling and Servicing Guides. Except as otherwise specifically provided herein, all terms and conditions of the Fannie Mae Mortgage Selling and Servicing Contract (including the Selling and Servicing Guides and any purchase contract or any other special agreements entered into by Licensee and Fannie Mae) shall remain in force and effect. In case the Licensed Application provides for loan eligibility requirements, pricing execution options, delivery methods or servicing requirements that are in conflict with the comparable requirements contained in the Selling or Servicing Guide, the provisions of the Guides shall prevail.

(g) At its sole discretion, Fannie Mae may choose to provide Licensee with access to a servicing-released component of the Licensed Application. Licensee acknowledges and agrees that: (i) Fannie Mae is not purchasing or selling servicing by providing access to a servicing-released component, (ii) Fannie Mae is not responsible for Licensee’s sale (or attempted sale) of servicing using Fannie Mae technology, (iii) Licensee will have no recourse to Fannie Mae related to the accuracy and completeness of any information Licensee obtains from the Licensed Application and uses or relies upon in any way, and (iv) any liability arising out of or resulting from Licensee’s sale (or attempted sale) of servicing to a servicer using Fannie Mae technology is solely Licensee’s (or the servicer’s) responsibility. Fannie Mae makes no representations or warranties as to the availability or accessibility of a servicing-released component or the participation of any servicer therein.

(h) Fannie Mae’s calculation of net SRP and net funding SRP is based on information submitted by Licensee through the Licensed Application and information submitted by the servicer through the servicing-released component. Fannie Mae accepts no responsibility for the accuracy or completeness of such information and is entitled to rely on such information in calculating the net SRP and the net funding SRP and in collecting an amount equal to the net funding SRP from the servicer and remitting it to Licensee on behalf of the servicer (or in deducting an amount equal to any negative net funding SRP from the acquisition proceeds and remitting it to the servicer). Licensee will have no recourse to Fannie Mae in the event of issues arising in connection with (i) the accuracy or completeness of the information that the Licensed Application uses to calculate the net SRP or the net funding SRP, (ii) Licensee’s sale (or attempted sale) of servicing to a servicer (other than the calculation, collection and remittance of net funding SRP and transfer of certain data to the servicer), or (iii) the servicing obligations and obligations relating to escrow funds.

(i) Licensee acknowledges and agrees that: (i) the participation of Licensee or a servicer in a servicing-released component of the Licensed Application (“Active Servicer”) does not affect the independence of Fannie Mae and Licensee or the servicer and that Licensee and the servicer are not partners of or joint venturers with Fannie Mae as a result of their participation in a servicing-released component and (ii) neither

Fannie Mae, Licensee nor any Active Servicer has any right, power or authority to enter into any agreement for or on behalf of the other, or to incur any obligation or liability, or to otherwise bind, the other. Licensee agrees that any agreement that applies to sales of servicing executed through the Licensed Application shall not be binding upon Fannie Mae. Licensee further acknowledges and agrees that Fannie Mae makes no representations or warranties relating to any Active Servicer or its business practices or methods, including, but not limited to, representations or warranties as to any Active Servicer's compliance with laws and regulations.

(j) Without limiting the terms of the Section of the Master Terms entitled "Rights in Data," Fannie Mae shall have the right to (i) provide each Active Servicer all data related to servicing bids made by them, (ii) provide each Active Servicer all data (except loan sale pricing) pertaining to commitments in which servicing is released to them and (iii) provide data and analytics to each Active Servicer pertaining to their servicing bids. Licensee may obtain Active Servicers' SRP information in the course of Licensee's participation in the Licensed Application. Licensee acknowledges this information as the confidential information of the Active Servicer and agrees to safeguard it as if it were Fannie Mae's confidential information in accordance with the terms of the Selling Guide.

(k) Fannie Mae reserves the right to suspend or terminate (i) Licensee's access to the Licensed Application, (ii) offering mandatory and best efforts commitments to Licensee and (ii) permitting Licensee to participate in a servicing-released component at any time and for any reason (including without limitation in the event that Licensee's draft accounts with Fannie Mae are not appropriately funded) or for no reason. Fannie Mae shall promptly notify Licensee of any such suspension or termination and whether, in Fannie Mae's sole discretion and in the event of a suspension, it will resume offering commitments and/or permitting Licensee to participate in the servicing-released component thereafter. Unless otherwise provided in the notice, in the event of any suspension or termination unrelated to Licensee's status as an Approved Lender (1) both parties will fulfill all unexpired commitments and (2) both parties will fulfill their obligations with respect to any sale of servicing related to unexpired commitments.

5. Pricing & Execution – MBS. The following terms shall apply with regard to Pricing & Execution – MBS (the "Licensed Application" under this Section) and the underlying business methodologies thereof:

(a) A "Commitment" is made when (i) Licensee commits to sell a certain volume of mortgage loans having a specified set of loan parameters to Fannie Mae, (ii) Fannie Mae provides Licensee with guaranty fee pricing for such mortgage loans for delivery under MBS execution and (iii) Fannie Mae confirms its acceptance of Licensee's commitment by issuing a confirmation with a contract identification number either by the Licensed Application or another written communication (via e-mail or otherwise).

(b) Both Licensee's use of the Licensed Application and the transactions initiated via the Licensed Application are governed by and subject to the requirements of the Fannie Mae Selling Guide and Servicing Guide (and any applicable master agreement) and this Agreement, as each may be modified and amended from time to time. Conflicts between the Licensed Application and the Fannie Mae Selling Guide or Servicing Guide, including without limitation loan eligibility requirements, pricing execution options, delivery methods or servicing requirements, shall be resolved in favor of the Fannie Mae Selling Guide or Servicing Guide, as applicable. Except as otherwise specifically provided herein, all terms and conditions of the Mortgage Selling and Servicing Contract between Licensee and Fannie Mae, including any purchase contract or other special agreements, shall remain in full force and effect.

(c) For purposes of this Section entitled "Pricing & Execution – MBS," the term "Authorized User" shall include individuals: (i) working for service providers retained by Licensee to perform mortgage-related services on their behalf that require access to the Licensed Application and (ii) who have obtained Authentication Credentials as a result of Licensee's actions. Licensee acknowledges and agrees that actions of Authorized Users shall be deemed to be actions of Licensee and Licensee guarantees the full performance of all obligations under the Agreement by such Authorized Users and the service providers whose services they perform.

(d) Licensee is solely responsible for ensuring that only those Authorized Users who are authorized to commit loans for sale to Fannie Mae make commitments on behalf of Licensee via the Licensed Application. Licensee understands and acknowledges that the Licensed Application enables Authorized Users to access all of Licensee's data in the Licensed Application, including data that is irrelevant to services they are performing. Licensee accepts sole responsibility for the data access of its Authorized Users and indemnifies and holds Fannie Mae harmless from all claims and liability arising from that access.

(e) A "pair-off" (reduction) or "roll" (carry forward) of all or part of a Commitment amount, as described on Fannie Mae's website ("Pair-off" and "Roll," respectively), that is requested by Licensee shall only be effective if and when Licensee is issued a confirmation either by the Licensed Application or another written communication (via e-mail or otherwise) and any associated fees are accepted by Licensee.

(f) Licensee consents to Fannie Mae's taking certain actions on its behalf ("Authorized Actions") under certain circumstances. The actions that Fannie Mae may take, and the circumstances under which Fannie Mae is authorized to take such actions are only as described below:

(i) Without prior notice to Licensee, Fannie Mae may initiate a pair-off if there is a Commitment with an aggregate delivered volume of less than the Minimum Delivery Amount reflected in the related Commitment and Licensee has not executed either a pair-off or roll of the outstanding balance by the last business day of the Issue Month reflected in the applicable Commitment ("Pair-off/Roll Deadline"). This may result in a pair-off fee payable by Licensee in accordance with the terms of the Commitment.

(ii) At the request of Licensee, Fannie Mae may either pair-off an existing Commitment or Roll the volume into the month following the Issue Month reflected in the related Commitment, provided (1) Fannie Mae receives Licensee's request prior to Fannie Mae's close of business on the Pair-off/Roll Deadline, and (2) for a Roll request, the Commitment was not created as a result of a Rolled Volume from the previous month. "Rolled Volume" is all or a portion of the volume from an existing Commitment that is rolled to a new Commitment for the Issue Month immediately following the Issue Month designated in the original Commitment. Fannie Mae will send Licensee an email with the proposed terms of the requested Pair-off or Roll, which terms must be confirmed by Licensee in writing (including email) within 5 minutes or Fannie Mae will not take the requested action on Licensee's behalf.

(iii) At the request of Licensee, Fannie Mae may, at its option, create a new Commitment on behalf of Licensee, provided that Fannie Mae will only create a new Commitment on behalf of Licensee under an Authorized Action under an extenuating circumstance in which (1) time is of the essence, and (2) Licensee is unable to make the Commitment on its own behalf, (e.g., none of Licensee's Authorized Users with "write" access are able to access the Licensed Application). Fannie Mae will send Licensee an email with the proposed terms, which terms must be confirmed by Licensee in writing (including email) within 5 minutes or Fannie Mae will not take the requested action on Licensee's behalf. In the alternative, Fannie Mae may provide comments in the "Comments" field of the Commitment in which case Licensee must comply with the instruction to review the terms of the Commitment and notify Fannie Mae of any objections within the specified time period, or Licensee will be deemed to have accepted the terms of the Commitment.

(g) Licensee authorizes Fannie Mae to perform Authorized Actions on Licensee's behalf and charge such fees as are associated with the actions performed as if the actions had been performed by Licensee. In the event Fannie Mae takes an Authorized Action, Licensee agrees to be bound by such action to the same extent as if the action had been taken by one of Licensee's Authorized Users of the Licensed Application.

(h) At the request of Licensee, Fannie Mae may create a negotiated Commitment on behalf of Licensee. Licensee must confirm the terms of the Commitment by either (i) confirming such terms in writing

(including email) within 5 minutes if Fannie Mae sends Licensee an email with the proposed terms, or Fannie Mae will not take the requested action on Licensee's behalf; or (ii) complying with Fannie Mae's instructions to review the terms of the Commitment and notify Fannie Mae of any objections within the specified time period if Fannie Mae provides comments in the "Comments" field of the Commitment, or Licensee will be deemed to have accepted the terms of the Commitment.

(i) Without limiting the terms of the Section of the Master Terms entitled "No Implied Waiver," a waiver of any fee associated with Licensee's use of the Licensed Application shall not be effective unless and to the extent it is given in writing and shall not constitute a waiver of any other fee.

(j) Notwithstanding anything to the contrary herein, Fannie Mae reserves the right to suspend or terminate, at any time and in its sole discretion (i) Licensee's access to the Licensed Application and/or (ii) Licensee's ability to make commitments via the Licensed Application. Fannie Mae shall promptly notify Licensee of any such suspension or termination. Unless otherwise provided in the notice, in the event of any suspension or termination not related to Licensee's status as an Approved Lender, both parties will fulfill all unexpired commitments.

6. Uniform Collateral Data Portal; Collateral Underwriter. The following terms shall apply with regard to the Uniform Collateral Data Portal (including its Fannie Mae Collateral Data Delivery Service, where permitted) and Collateral Underwriter (each, the "Licensed Application" under this Section):

(a) Overview. The Uniform Collateral Data Portal ("UCDP") is a joint GSE portal for the electronic collection of appraisal data. When submitting appraisal data to UCDP, Licensee may designate the appraisal data for delivery to one or more GSEs. Appraisals delivered to Fannie Mae via UCDP will be automatically submitted to Collateral Underwriter ("CU") for review.

(b) Restrictions on Use; Termination of Access. Without limiting the terms of the Section of the Master Terms entitled "Restrictions on Use" or any other provision in the Master Terms or this Schedule, Licensee's right to access and use the Licensed Application and to use the associated Documentation shall be conditioned upon Licensee's compliance with the following:

(i) Licensee shall limit its use of the Licensed Application, including its reports and other output, in printed form or otherwise, to (A) the management of collateral risk and (B) protection against or prevention of actual or potential fraud, unauthorized transactions, claims, or other liability.

(ii) Licensee shall not use the Licensed Application, including its reports and other output, in printed form or otherwise: (A) for credit evaluation, (B) to make a credit decision or (C) to interfere with the independent judgment of an appraiser.

Fannie Mae reserves the right to immediately suspend or terminate Licensee's right to access and use the Licensed Application if it determines, in its sole discretion, that Licensee has violated the terms of this Section entitled "Uniform Collateral Data Portal; Collateral Underwriter," misused the Licensed Application or otherwise used the Licensed Application for other than its intended purpose.

(c) Acknowledgments. Licensee acknowledges and agrees to the following:

(i) Licensee is responsible for the assessment and accuracy of appraisals in accordance with the Guide. The Licensed Application does not "approve" or "deny" appraisals, nor does the absence or presence of flags or messages generated by the Licensed Application indicate an appraisal is acceptable or unacceptable.

(ii) Output generated by the Licensed Application, in whole or in part, has not been prepared by a licensed or certified appraiser and does not constitute an appraisal or valuation of the subject property.

(d) Third Party Access

(i) UCDP. Licensee may designate one or more agents (including appraisal management companies and outsource providers) to use the Uniform Collateral Data Portal on Licensee's behalf. An agent's access to UCDP provides the agent with access to the CU findings and messages included in the UCDP output but does not entitle the agent to access the CU application itself.

(ii) CU. Licensee may not designate third parties to use Collateral Underwriter or otherwise provide third parties with access to Collateral Underwriter (including appraisal management companies, technology vendors and appraisers) without the express written permission of Fannie Mae, which permission may be withheld by Fannie Mae at its sole discretion. Additionally, although Licensee may use CU output to inform its dialogue with appraisal management companies and appraisers regarding appraisals they supplied to Licensee, Licensee may not provide appraisal management companies and appraisers with copies or displays of Fannie Mae reports that contain CU findings, including without limitation, the CU Print Report, the UCDP Submission Summary Report (SSR) and the CU section of the DU Underwriting Findings Report. Further, Licensee's technology vendors may not (A) disclose, aggregate or distribute CU findings, messages or reports containing CU findings and messages to third parties or (B) use CU findings or messages for any purpose other than assisting Licensee in Licensee's management of collateral risk and helping Licensee protect against or prevent actual or potential fraud, unauthorized transactions, claims and/or other liability. Licensee assumes full responsibility for the consequences of such technology vendors' disclosure and/or use of CU findings and messages in violation of the prohibitions set forth in the foregoing sentence.

(iii) Guarantee by Licensee. If Licensee designates an agent or other third party to use UCDP or CU, or otherwise provides a third party access to CU, whether in compliance with or in violation of the terms of this Agreement, Licensee guarantees full performance by each agent or other third party of all obligations set forth in the Master Terms and this Schedule, and shall retain all obligations and liabilities under the Master Terms and this Schedule in connection with that party's access to and use of the Licensed Application.

(iv) Appraisal Sharing and Disclosure of Doc File ID. If Licensee directs the Licensed Application to share an appraisal or other data associated with a Doc File ID with a third party or if Licensee discloses a Doc File ID to a third party, including an agent, Licensee will be deemed to have authorized Fannie Mae to provide the third party with access to all data associated with the appraisal or Doc File ID. Licensee indemnifies and holds Fannie Mae harmless from claims and liability arising from providing such access.

(v) Termination of Relationships. Fannie Mae reserves the right to immediately suspend or terminate any relationship established between Licensee and a third party by and for the Licensed Application at any time, at its sole discretion.

(e) Rights in Data. Without limiting the terms of the Section of the Master Terms entitled "Rights in Data," Fannie Mae, its agents and contractors may use, reproduce, distribute and retain all data that is submitted to or generated by the Licensed Application (and, where applicable, designated in the Licensed Application for delivery to Fannie Mae) for modeling and analytics, to provide data and services in compliance with all laws and regulations, and for all purposes related to the Licensed Application, the appraisal, the loan or any securities. With respect to data associated with mortgage loans securitized by Fannie Mae, or in which Fannie Mae has an ownership right or interest, Fannie Mae may also use, reproduce, distribute and retain such data for all other purposes.

7. Loan Delivery. The following terms shall apply with regard to Loan Delivery, including its ASAP Plus functionality (the "Licensed Application" under this Section):

- (a) Licensee acknowledges and agrees that any results issued by the Licensed Application will not constitute an approval or denial of the mortgage loan by Fannie Mae or a commitment to purchase the loan by Fannie Mae
 - (b) Fannie Mae makes no representation or warranty that the Licensed Application will identify any or all errors or issues that may cause Fannie Mae to delay or decline to purchase a loan or, following purchase, to require the repurchase of a loan.
 - (c) Licensee is solely responsible for insuring that the data it enters, selections it makes and actions it takes using the Licensed Application represent Licensee's intentions.
 - (d) Licensee shall be solely responsible for the due authorization and accuracy of any and all transactions made using the Licensed Application, and Fannie Mae will be under no obligation to verify whether any transaction has been so authorized and accurately reflects the terms desired by the Licensee
8. Wire Administration. . In the event a licensed application includes a wire administration functionality (the functionality being the "Licensed Application" under this Section), the following terms apply:
- (a) Licensee shall ensure the Licensed Application contains accurate, current and complete wiring instruction information including associated relationships with warehouse lenders, disbursement agents and other entities as appropriate.
 - (b) Licensee shall instruct its warehouse lenders to place the name of the warehouse lender in the header of its bailee letters associated with Fannie Mae loans.
 - (c) Licensee shall provide reasonable and timely cooperation to its warehouse lenders and disbursement agents which are participating in the wire administration functionality in their efforts to ensure accurate and complete wiring instructions are maintained in the Licensed Application.
 - (d) Maintenance of wiring instruction information by Licensee shall be made in the Licensed Application only by authorized representatives of Licensee.
 - (e) Fannie Mae is entitled to rely on wiring instructions that are maintained in the Licensed Application by Licensee.
9. Access Code. Licensee understands and agrees that it may be provided with an access code ("Code") for use on a single personal computer or local area network (LAN) in Licensee's organization. The Code shall be used by Licensee for the purpose of electronically accessing from Fannie Mae certain data, such as pool numbers, related to Licensee or to any other subscriber to the Fannie Mae system who authorizes Licensee to have such access.
