Completed File Delivery¹

- **Completed:** TSP has successfully integrated with our B2B UCD solution to enable electronic submission of UCD loan data to Fannie Mae.
- **Planned:** TSP has communicated with Fannie Mae they will be integrating with Fannie's B2B UCD solution, but is not integrated at this time.
- **Not Planned:** TSP has informed Fannie Mae they will not be integrating with our B2B UCD solution.

Completed File Creation²

- **Completed:** TSP has successfully completed Fannie Mae's UCD XML file creation process. This verifies that their XML submissions are compliant with the latest UCD Delivery Specification (version 1.4).
- **Planned:** TSP has communicated to Fannie Mae they will be completing the file creation process, but have not at this time.
- **Not Planned:** TSP has communicated to Fannie Mae they will not be completing the file creation process. Note: This may indicate the TSP is using another company to create the file.

Note: If your TSP is not listed, they may be actively testing with our UCD integration team. Please contact them directly for a current status.

 For more information on the Uniform Closing Dataset (UCD), visit the [UCD page](#). For more about Fannie Mae's UCD collection solution, visit the [UCD Collection Solution page](#).
