

## Uniform Closing Dataset (UCD) Technology Solution Provider (TSP) List

Updated November 30, 2018

The following TSPs have completed the creation and/or delivery of their file to enable submission of electronic loan data to Fannie Mae’s UCD collection solution (via XML file for user interface delivery or direct integration). Contact the TSP directly for more information about their solution.

| Company                                                                                                      | Product(s)                                        | File Delivery | File Creation | Contact                                                                                                                               |

- **Completed:** TSP has successfully integrated with our B2B UCD solution to enable electronic submission of UCD loan data to Fannie Mae.
  - **Planned:** TSP has communicated with Fannie Mae they will be integrating with Fannie's B2B UCD solution, but is not integrated at this time.
  - **Not Planned:** TSP has informed Fannie Mae they will not be integrating with our B2B UCD solution.
- 
- **Completed:** TSP has successfully completed Fannie Mae's UCD XML file creation process. This verifies that their XML submissions are compliant with the latest UCD Delivery Specification (version 1.4).
  - **Planned:** TSP has communicated to Fannie Mae they will be completing the file creation process, but have not at this time.
  - **Not Planned:** TSP has communicated to Fannie Mae they will not be completing the file creation process. Note: This may indicate the TSP is using another company to create the file.

*Note: If your TSP is not listed, they may be actively testing with our UCD integration team. Please contact them directly for a current status.*

 For more information on UCD, visit the [UCD page](#) and [UCD Collection Solution page](#).
