Completed File Delivery¹ Indicates the TSP has successfully integrated with Fannie Mae's B2B UCD solution to enable submission of electronic UCD loan data to Fannie Mae.

Completed File Creation² Indicates the TSP has successfully completed Fannie Mae's UCD XML file creation process. This verifies that their XML submissions are compliant with the latest UCD Delivery Specification (version 1.4).

Note: If your TSP is not listed, they may be actively testing with our UCD integration team. Please contact them directly for a current status.
