Lender Record Information Form 582

Quick Reference Guide
Roles in Your Organization - Ownership Interest - Contact Verification

November 2018
Overview
The following Quick Reference Guide provides a high-level overview of the changes made to pages in the Lender Information section of the Lender Record Information Form 582.

- Replaced the Contacts Information page with the Roles in Your Organization page, which shows the list of requested roles (Chief Executive Officer/President, Chief Risk Officer, etc.). You can assign multiple contacts to each role and a contact may be assigned to multiple roles. You may select contacts that already exist in our database or create new contacts as needed.

- Updated the Ownership Interest page to make it easier to identify and report individuals and firms with Ownership Interest along with their respective ownership percentage(s).

- Added the Contacts Verification page where you can review and update information (title, email, address, etc.) for the contacts assigned on the Roles in Your Organization page and the individuals listed on the Ownership Interest page.
Roles in Your Organization

1. After logging in, select the Lender Information section from the left navigation menu. Here you will find the new Roles in Your Organization page, which replaces the previous Contact Information page.

   **Note:** You must assign contacts to the five mandatory roles marked with the red asterisk.

   Select the Lender Information section and the Roles in Your Organization page

2. Click on each role to expand the section and view the contacts currently assigned to the role.

   **Note:** The contacts displayed are based on information from various sources, including contacts reported in the previous year’s Form 582, conversations with the Relationship Manager, etc.

   **Note:** Multiple contacts can be assigned to a single role and a single contact can be assigned to multiple roles.

   Expand the role section to view the contacts assigned to the role
3. To assign a contact to a role, click the + Existing Contact button to search contacts already in the system.

Click in the search box to display and scroll through the list of contacts or start typing a name to narrow the list of contacts. Click the contact to assign to the role.

**Note:** You may see similar or duplicate contacts in the list, but select the one that looks most correct. You will be able to edit title, phone, email, and address on the upcoming Contact Verification page.

Ownership Interest

1. **Ownership Interest** entered in the previous year’s Form 582 can be viewed by selecting the **Yes** button. This information can be edited or removed by clicking the **Edit** or **Delete** icons.

2. The **Ownership Interest** can be entered as an **Individual** or a **Firm**.
   
   **Note:** Once complete, confirm the data entered by clicking the **Verify this response** checkbox.
Contact Verification

1. When contacts have been added to the Roles in Your Organization page and individuals added to the Ownership Interest page, their contact information can be verified on the Contact Verification page.

   **Note:** The Verify this response checkbox cannot be selected until the Roles in Your Organization and Ownership Interest pages have been verified.

2. Contact information can be edited by clicking the Edit icon next to the contact.

   **Note:** Contact information can only be edited on this page. To remove a contact, go back to the Roles in Your Organization page and unassign them, or remove the contact from the Ownership Interest page.

   **Note:** To make changes to the contact’s first, middle, and last name reach out to your Relationship Manager for assistance.

   **Note:** Once complete, confirm the data by clicking the Verify this response checkbox.
