Inquiry Response Tool (IRT) Overview
The IRT portal enhances the way the Fannie Mae Expense Reimbursement Team responds to and tracks inquiries related to expense reimbursement claims. Such claims include questions related to expenses denied, curtailed, or pending; unclear guidelines around a claim submission, promissory note, deficiency collections, excess fees and costs and Investor Pre-Approval (IPA) access/issue.

IRT Submitter
IRT is the single resource for performing the following tasks:

- Submitting inquiries related to claim reimbursement, Promissory Notes, Deficiency Collections, or Excess Fees;
- Tracking the progress of an inquiry; and
- Viewing the history of previous inquiries on a loan.

IRT Flow Chart and Timeline
The submitter receives an inquiry response from Fannie Mae and has seven calendar days ("seven days") to respond. If a response is not received within seven days, the inquiry closes and automatically changes to a "Completed" status.

**NOTE:** A new inquiry must be submitted if the submitter does not respond within seven days.
Log in to the IRT

1. Access the Inquiry Response Tool (IRT).
2. Enter your User Name and Password and click Submit.

**NOTE:** The following pop-up message may appear after you log in for the first time. Refer to the steps outlined in Appendix A: Username and Password Reset, as applicable.

The Dashboard displays after logging in and allows submitters to view, search, submit, and respond to inquiries.

3. Proceed to the applicable section:
   - Inquiry Tab
   - Repository Tab
   - Users Tab
   - Submit an Inquiry
Inquiry Tab

1. Click on the Inquiry tab.

This screen allows users to perform the following:

- **Search Inquiries**
- **View the IRTSubmitter User Manual**

Search Inquiries

1. Select the applicable search criteria option from the drop-down menu:
   - Inquiry ID
   - REO ID
   - Loan Number

2. Enter the loan or ID number in the field to the right of the drop-down menu and click **Search**.

3. Click **Search** to display applicable inquiries.

**NOTE:** The “Remaining Active Days” column indicates the number of days that remain for the submitter to **Accept** or **Re-Open** the inquiry. If no action is taken, the inquiry status changes to “Closed” or “Cancelled”.
**NOTE:** Users can also search for inquiries using the following:

- **Search Filters** - These filters allow users to narrow the search of current or previous inquiries based on selected criteria.

- **Search Inquiries in queue** – An additional search function that returns results from the user’s queue based on selected criteria.

---

**View the IRT Submitter User Manual**

1. Click the ![icon](image.png) icon.

2. Click on the **Resources** tab and then click on the **IRT – Submitter User Manual** link to open the manual.
Repository Tab

1. Click on the Repository tab.

2. Enter or select search criteria in any of the following fields and click Filter.

   - Received Date (from and to)
   - Closed Date (from and to)
   - Last Activity Date
   - Inquiry Type

   **NOTE:** Refer to Appendix B: Inquiry Types.

   - Inquiry Category

   **NOTE:** Refer to Appendix C: Inquiry Categories.

   - Vendor Type
   - Status

   **NOTE:** Refer to Appendix D: Inquiry Statuses.

   - BKI Category
   - Root Cause Detail
   - Assigned User

The search results display.

**NOTE:** Refer to the Exporting Inquiries to Excel section for steps on how to export a list of inquiries.
Exporting Inquiries to Excel
Perfrom the following steps to export inquiries of the selected search criteria:

1. Click Export to Excel.

2. The following pop-up message displays. Click Open, Save or Cancel, as applicable.

   Do you want to open or save IRRT-Repository-2017-01-31.xlsx (3.72 KB) from fanniemaeusat.decisionreadysolutions.com?

   Open  Save  Cancel

   NOTE: An Excel spreadsheet opens in .CSV format and displays the results.

Users Tab
This tab allows users with the Vendor Primary role the ability to view active and disabled users and add new users, as applicable. It also enables users to edit profile information and manage notifications.

1. Click on the Users tab.

2. Proceed to the applicable section:

   ▪ [View and Edit Active User Profiles]
   ▪ [Add New or Update Existing User]
View and Edit Active User Profiles

Users with the Vendor Primary role use this screen to:

- **View Active Users**
  1. Click Users ➤ Active Users.

- **Review login history**
  1. Click on the first icon (History) in the Action column.

- **Reset a User’s Password**
  1. Click on the second icon (Reset) in the Action column.
**Edit User Information**

1. Click on the third icon (Edit) in the **Action** column.

The Edit User Information screen display.

2. Edit the user’s profile, as applicable, including managing notification preferences, updating the external role, etc.

**Add New or Update Existing User**

1. Click **Users > Add New User**.
The **Create New User** screen displays.

2. Complete the required fields:

   **NOTE:** Users with the Vendor Primary role can update and/or change (within existing user profile) the following IRT roles from **Vendor Primary to Vendor Secondary** and **Vendor Secondary to Vendor Primary**.

   ![Create New User Screen](image)

   3. Click **Create**.

**Manage Notifications**

Users with the Vendor Primary role perform the steps in this section to manage email notifications. All applicable vendors receive an email notification from DRS indicating that the updates have been made in the application.

   **NOTE:** All users are initially opted-in to receive notifications.

1. Click **Users > Active Users**.

   ![Manage Users Screen](image)

   2. Click on the **Edit** icon.
3. Click on the Manage Notification Preferences link to update your notification preferences.

![Edit User Information](image)

4. Click Submit to save the updates.

![Notification Preference](image)

Users receive a notification email like the one below.

```
In 5/09/16 9:29 AM
Decision Ready Support <TechSupport@decisionreadysolutions.com>
[EXTERNAL] Fannie Mae Inquiry Update Notification

Fannie Mae

Dear VOE Vendor Primary,

This is a notification that Inquiry ID #700 has been updated. Please review any updates to the Inquiry status or comments at http://fannelmserv.decisionreadysolutions.com/.
```

Submit an Inquiry
The vendor inquiry workstation allows users to submit a single or batch set of inquiries.

**Single Inquiry Submission**
Perform the following steps to submit a single inquiry:

1. Click on the Inquiry tab and select Create New Inquiry from the drop-down menu.

![Submit an Inquiry](image)
2. Enter all applicable information related to the inquiry, including the required fields denoted with an asterisk (*). The Create New Inquiry screen varies based on the Inquiry Type associated with the user’s profile.

**NOTE:** Refer to Appendix B: Inquiry Types and Appendix C: Inquiry Categories.

![Create New Inquiry Screen](image.png)

**Batch Inquiry Submission**

Perform the steps in this section to submit a batch inquiry. Inquiries uploaded in a batch are addressed as individual inquiries after being uploaded in the tool. Each batch may only contain one Inquiry Category per upload. Multiple batches may be necessary if submitting inquiries that require more than one Inquiry Category.

**NOTE:** For example, if there are 100 inquiries and 50 of them are Expense Curtailed and 50 are Expense Denied, the user submits two batches, one for each Inquiry Category.

1. Click on the Inquiry tab and select Create Inquiry Batch.
The **Create Inquiry Batch** screen displays.

![Create Inquiry Batch](image)

2. **Click on the Download Template link.**

![Download Template](image)

An Internet Explorer pop-up window displays.

3. **Click Open or Save.**

![Internet Explorer](image)

The spreadsheet opens in Microsoft Excel.

4. **Enter all required information and any additional information that supports the claim.**

5. **Save the file in .csv format.**

![Spreadsheet](image)
6. Click **Browse** and navigate to the file saved in the previous step.

![Create Inquiry Batch](image1.png)

7. Click **Upload Batch File**.

![Create Inquiry Batch](image2.png)

A message displays indicating if the upload was successful and under **Upload Batch File** indicating the batch number and that the upload was successful. Click on the **Inquiry** tab to view all inquiries.

![Upload Batch File](image3.png)

**Receive and Respond to an Inquiry**

The submitter receives a response from the Analyst and performs one of the following within seven business days:

- **Provide additional information to the Analyst**
- **Accept or reopen the inquiry**
Provide Additional Information to Analyst

If the Analyst requests additional information, the inquiry displays on the submitter’s dashboard in a **Pending** status.

1. Click on the **Inquiry ID**.

   ![Dashboard Image]

2. Review the External comment in the **Inquiry Comment History** to determine what the Analyst is requesting.

3. Enter the additional information requested by the Analyst in the **Vendor Comment** section.

   **NOTE:** *The current character limit is set at 1000.*

4. Click **Save Comment**.

   **NOTE:** *The comment does not save if the user does not click Save Comment prior to sending the inquiry back to the Analyst.*
5. Scroll to the Supporting Documents section and upload additional documentation, if applicable.

<table>
<thead>
<tr>
<th>Document Name</th>
<th>Upload Date</th>
<th>Size</th>
<th>Action</th>
</tr>
</thead>
<tbody>
<tr>
<td>Backup</td>
<td>07/29/2019</td>
<td>53 KB</td>
<td></td>
</tr>
</tbody>
</table>

6. Click on one of the following to update the inquiry status:
   - **Save** – Click to save the inquiry and keep it listed on the dashboard.
   - **Submit** – Click to send the inquiry back to the Analyst.
   - **Cancel** – Click to cancel the inquiry.

**NOTE:** No further action can be taken once **Cancel** is clicked.

Accept or Re-Open the Inquiry

Perform the following steps to accept or re-open a Completed inquiry:

1. **Click on the Inquiry ID.**

2. Review the Completed inquiry.
3. Is any further action required?
   - **Yes** – Proceed to the next step.
   - **No** – Click **Accept** and then **Submit** to close the case.
4. Click **Request Call**, as applicable, to enter a message and request a call back. The phone number pre-populates based on what is entered in the user profile, but it can be updated, if needed. Click **Submit**

5. Enter comments for the Analyst, if needed, and then click **Save Comment**. Do not click **Re-Open** until all comments are entered.

6. Click **Re-Open** to send the inquiry back to the Analyst.

7. Click **Submit** to decision the **Pending** inquiry.
**View Inquiry Activity**

Click on the **Inquiry Activity** tab, located to the right of the **Inquiry Detail** tab, to view an audit trail of inquiry case assignments and statuses by **Username**, **User Role**, **Date of Change**, and the **Description of Change Made**.

<table>
<thead>
<tr>
<th>Inquiry Activity</th>

</tr>
<tr>
<td>RIT Analyst</td>
</tr>
<tr>
<td>RIT Analyst</td>
</tr>
<tr>
<td>RIT Vendor Secondary</td>
</tr>
</tbody>
</table>

**Review the Root Cause**

Submitters with a Vendor Primary role may view the **Root Cause** on the **Inquiry Details** screen after the inquiry has been decisioned. The **Root Cause** field displays the reason the inquiry was originally submitted based on Fannie Mae’s assessment.

<table>
<thead>
<tr>
<th>Inquiry Comment History</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Type</strong></td>
</tr>
<tr>
<td>External</td>
</tr>
</tbody>
</table>

In addition to the **Inquiry Details Screen**, Secondary Users can view the **Root Cause** data within the Excel spreadsheet generated from the **Repository Screen**.

**NOTE:** Refer to the **Exporting Inquiries to Excel** section for steps on how to export a list of inquiries.

**Password Reset Notification Email**

After 180 days of inactivity, users will receive an automated email notification regarding password reset. If no action is taken, the user’s account will be deactivated.

The first notification will be sent out 14 days prior to account deactivation. A reminder email will be sent out 7 days prior to account deactivation. The email provides a link to assist with password resets, as well as contact information for additional assistance.

Appendices

Appendix A: Username and Password Reset

1. Click **Forgot My Password/Username**.

2. Click in the applicable **Password** or **Username** radio button and enter the applicable information.

   **Request Username**
   Enter your **Email Address** and click **Submit**.

   **Password Reset**
   Enter your **Username** and **Email Address** and click **Submit**.

   **NOTE:** The system triggers a new temporary password or your username to be sent to the email address on file.
### Appendix B: Inquiry Types

The following inquiry types indicate the internal group that is receiving the inquiry based on their vendor/servicer profile:

<table>
<thead>
<tr>
<th>Category</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Deficiency Collections</strong></td>
<td>The collection pursuit of strategic defaulters for deficiency balances after foreclosure.</td>
</tr>
<tr>
<td><strong>Disaster Property Inspections</strong></td>
<td>Used for managing property inspections related to disasters.</td>
</tr>
<tr>
<td><strong>HomeSaver Advance</strong></td>
<td>The collection pursuit of borrowers who signed a HomeSaver Advance Note as part of a workout solution to avoid foreclosure.</td>
</tr>
<tr>
<td><strong>MDC Firm</strong></td>
<td>This is for inquiries related to excess fees and costs.</td>
</tr>
<tr>
<td><strong>Non-Servicer</strong></td>
<td>These inquiries are primarily for REO vendors.</td>
</tr>
<tr>
<td><strong>Promissory Note</strong></td>
<td>The collection pursuit of borrowers who signed a Promissory Note as part of a workout solution during liquidation (DIL/SS) of the property.</td>
</tr>
<tr>
<td><strong>Reverse HUD Claims Packaging</strong></td>
<td>Reverse mortgage inquiries for REO vendors</td>
</tr>
<tr>
<td><strong>Reverse Non-Servicer</strong></td>
<td>Reverse mortgage inquiries for REO vendors</td>
</tr>
<tr>
<td><strong>Reverse Servicer</strong></td>
<td>Reverse mortgage inquiries</td>
</tr>
<tr>
<td><strong>Servicer</strong></td>
<td>Inquiries that are servicer related</td>
</tr>
</tbody>
</table>

### Appendix C: Inquiry Categories

The category is based on the type of inquiry being submitted.

<table>
<thead>
<tr>
<th>Category</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>AAA Clarification (MDC Firm Use Only)</strong></td>
<td>This option is requesting additional information or clarification on the AAA Matrix.</td>
</tr>
<tr>
<td><strong>BPO Request (Deficiency Collections Use Only)</strong></td>
<td>The request for PDF copies of BPO/appraisals.</td>
</tr>
<tr>
<td><strong>CA Wildfires</strong></td>
<td>Disaster inspection specific to wildfires in California.</td>
</tr>
<tr>
<td><strong>CDT Escalation</strong></td>
<td>Internal escalation submitted by the Customer Delivery Teams (CDTs).</td>
</tr>
<tr>
<td><strong>CDT Escalation - Priority</strong></td>
<td>Internal escalation submitted by the CDTs and reviewed by a manager.</td>
</tr>
<tr>
<td><strong>Cost Rebuttal/ Escalation (MDC Firm Use Only)</strong></td>
<td>The cost was denied, curtailed, or the user is requesting an additional Fannie Mae review.</td>
</tr>
<tr>
<td><strong>Data Request (Promissory Note/Deficiency Collections/Home-Saver Advance Use Only)</strong></td>
<td>General request for data only/adhoc.</td>
</tr>
<tr>
<td>Category</td>
<td>Description</td>
</tr>
<tr>
<td>------------------------------------------------------------------------</td>
<td>--------------------------------------------------------------------------------------------------------------------------------------------</td>
