

## Mortgage-Backed Securities

### **New Pool Prefix Available for August 1, 2009 Deliveries**

Fannie Mae is introducing a new prefix, GI, which will be assigned to fixed-rate MBS pools that are comprised of government mortgages with intermediate terms. The prefix will be available for fixed-rate government mortgages delivered into MBS with issue dates on or after August 1, 2009.

The new prefix is as follows:

GI – Government, Intermediate-Term, Level-Payment Mortgages; Single-Family; maturing or due in 15 years or less. Pool may contain certain higher balance FHA loans originated on or after March 6, 2008.
