

Multifamily Structured Facilities

Current Pool Groups

If your pool is part of a cross collateralized and/or cross defaulted facility, there may be updated information available. To reference the most recent documents for the Structured Facility containing your pool:

1. Right click anywhere within the document and select Find.
2. Input the pool number you wish to locate and click the Find button within the task window.
3. Note the pool in the same group with the most recent issue date and then access the documents for that pool using the Multifamily MBS Disclosure Documents tool- (http://www.fanniemae.com/markets/mbssecurities/mfsecurities/mf_disclosures.jhtml).
4. To search for another pool, repeat Step 1 above.
