

Multifamily REMIC File Mapping Document

Data for Multifamily REMICs and Grantor Trusts will be removed from the following files: the Final Data Statement, Monthly Remittance Report, SIFMA Report, Monthly Floater Reset, and Supplemental Factor File. This document provides market participants with guidance on where the Multifamily data from these existing files will appear within the new REMIC DUS Disclose Files upon transition.

The shaded fields represent information that will not be found in the DUS Disclose files.
