Aggregate Excess of Loss Credit Insurance Policy

Various provisions in this Policy restrict coverage. Read the entire Policy carefully to determine rights, duties and what is and is not covered.

In consideration of the Insured paying the Monthly Premium stated in the Declarations Page to the Insurer and in reliance upon the statements in the Declarations Page made a part hereof and subject to all of the terms of this Policy, the Insurer hereby agrees, subject to the Policy Limit of Liability stated in the Declarations Page, to pay Loss to the Insured to the extent and in the manner set forth herein.

I. INSURING AGREEMENT; SECURITY

- (a) After first deducting any valid and collectible mortgage guaranty insurance (MI) that may apply to a Covered Loan, this Policy provides coverage for one hundred percent (100%) of the Aggregate Losses of the Insured in excess of the Aggregate Retention of the Insured on Covered Loans that Default during the Policy Period, subject to the Limit of Liability and all other terms, conditions and limitations of this Policy.
- (b) To secure performance hereunder, the Insurer shall enter into a trust agreement (the "Trust Agreement") in the form attached hereto as Exhibit A and deposit therein an amount equal to the Trust Funding Obligations (as defined below) within ten (10) days of the Execution Date. The Insurer shall at all times maintain on deposit in the trust account established under the Trust Agreement (the "Trust Account") Assets (as that term is defined in the Trust Agreement) which have a fair market value equal to the Trust Funding Obligation.
- (c) The "Trust Funding Obligation" shall be equal to the sum, with respect to the Policy and each additional insurance policy (each, an "Additional Policy" and the Additional Policies together with the Policy, the "Relevant Policies"), if any, issued by the Insurer to the Insured, of the products of (i) the Limit of Liability under this Policy or such Additional Policy, as applicable, and as such term is defined herein or therein, as applicable, multiplied by (ii) the "Required Collateral Percentage" identified on Schedule 1 to this Policy or in such Additional Policy, as applicable; provided, that if a Termination Event has occurred, the Obligations shall not be less than the sum of the products of (i) the Remaining Limit of Liability under this Policy or such Additional Policy, as applicable, multiplied by (ii) the "Termination Event Percentage" identified on Schedule 1 to this Policy or such Additional Policy, as applicable.
- (d) At the request of the Insured, the Insurer shall designate notional sub-accounts within the Trust Account corresponding to this Policy and each Additional Policy, and allocate Assets (as defined in the Trust Agreement) in the Trust Account to each such sub-account with a fair market value at least equal to the Trust Funding Obligations, as determined solely with respect to the Relevant Policy to which such sub-account corresponds. Notwithstanding any such allocation, or the designation or existence of any sub-account, the Insured as the Beneficiary (as defined in the Trust Account) of the Trust Account shall be permitted to freely withdraw any Asset

and apply such Asset to satisfy any obligation of the Insurer under any Relevant Policy.

- (e) The Insurer shall notify the Insured of any Termination Event, downgrade in, or withdrawal of, its Insurer's financial strength rating ("Rating") by A.M. Best or Standard & Poor's within five (5) calendar days of the date on which the Insurer is first informed of such Termination Event, downgrade or withdrawal, and within ten (10) calendar days of such date shall deposit in to the Trust Account such amount, if any, as is required so that the fair market value of the Assets then on deposit in the Trust Account is at least equal to the Trust Funding Obligations as of the date of such notice.
- (f) In the event that the Insured determines at any time that the fair market value of all Assets in the Trust Account is less than 100% of the Trust Funding Obligations, the Insured may send a written notice to that Insurer, with a copy to the Trustee, requiring the Insurer to deposit Assets in the Trust Account so that the fair market value of the Assets deposited in the Trust Account is at least equal to the Trust Funding Obligations. The Insurer shall deposit such Assets in the Trust Account within five (5) calendar days of receipt of such notice. If the Insurer does not timely deposit such Assets, in addition to any other legal or equitable remedy the Insured may have, the Insured may issue a written instruction to the Trustee directing the Trustee to transfer from the Income Portfolio (as defined in the Trust Agreement) to the Trust Account such assets as are required so that the fair market value of the Assets deposited in the Trust Account is at least equal to the Trust Funding Obligations. If the Assets in the Income Portfolio are insufficient for such purpose, the Insured may also direct the Trustee to deposit all amounts otherwise required to be deposited into the Income Portfolio to the Trust Account until such time as the fair market value of the assets deposited into the Trust Account is equal to the Trust Funding Obligations.
- (g) If no Termination Event has occurred:
 - i. The Insurer may request that the Insured issue a Withdrawal Notice (as that term is defined in the Trust Agreement) to the Trustee directing the Trustee to (i) withdraw from the Trust Account and (ii) pay directly to the Insurer that specific dollar amount (as determined by the Insured) by which the fair market value of the Assets on deposit in the Trust Account exceeds one hundred two percent (102%) of the Trust Funding Obligations, issuance of such Withdrawal Notice not to be unreasonably or arbitrarily withheld by the Insured; and
 - ii. Subject to the deduction of the Trustee's compensation and expenses in accordance with the Trust Agreement, the Insurer may withdraw funds deposited in the Income Portfolio if the fair market value of the Assets on deposit in the Trust Account exceeds one hundred percent (100%) of the Trust Funding Obligations. The Insured, as the Beneficiary of the Trust Account, may instruct the Trustee not to permit withdrawals from the Income Portfolio by the Insurer to the extent such condition is not satisfied.

- (h) If a Termination Event has occurred:
- i. The Insurer may request that the Insured issue a Withdrawal Notice to the Trustee directing the Trustee to withdraw from the Trust Account and pay directly to the Insurer only that specific dollar amount (as determined by the Insured) by which the fair market value of the Assets on deposit in the Trust Account exceeds one hundred two percent (102%) of the greater of the (a) Aggregate Remaining Limit of Liability and (b) Trust Funding Obligations, issuance of such Withdrawal Notice not to be unreasonably or arbitrarily withheld by the Insured;
 - ii. The Insured may not withdraw any funds from the Income Portfolio that the Insurer otherwise would be entitled to withdraw under the terms of the Trust Agreement unless the fair market value of the Assets on deposit in the Trust Account exceeds one hundred percent (100%) of the Aggregate Remaining Limit of Liability. The Insured, as the Beneficiary of the Trust Account, may instruct the Trustee not to permit withdrawals from the Income Portfolio by the Insurer to the extent such condition is not satisfied;
 - iii. Any and all premiums payable under this Policy to the Insurer shall be paid by the Insured to the Trust Account of the Insurer until such time as the fair market value of the Assets on deposit therein is equal to the Aggregate Remaining Limit of Liability;
 - iv. The "Aggregate Remaining Limit of Liability" means the sum of the Remaining Limits of Liability under each Relevant Policy (as the term "Remaining Limit of Liability" is defined herein or therein, as applicable).
 - v. All assets delivered to the Trustee for deposit to the Trust Account shall consist only of Eligible Investments (as that term is defined in the Trust Agreement). The Insurer shall provide each asset to the Trustee in such form that the Insured or the Trustee upon direction by the Insured may negotiate any such Asset without the consent or signature of the Insurer or any other Person or entity. The Insurer shall provide such documents as are necessary to authorize such transfer at the time the Asset is deposited to the Trust Account or if requested thereafter by the Trustee or the Insured.
 - vi. The Insurer must timely and fully comply with the requirements of this Article I. and must fully fund the Trust Account as set forth herein, even in the event of a dispute concerning such funding or any other aspect of this Policy. The existence of a dispute as to the Insurer's obligations under the Trust Agreement or under this Policy shall not constitute a basis on which the Insurer may fail or refuse to fully fund the Trust Account in accordance with the terms of this Article I. The parties acknowledge and agree that the failure to fund the Trust Account as required herein would result in irreparable harm to the Insured for which no adequate remedy exists at law or in equity. Accordingly, the Insurer agrees that, in the event of any breach or threatened breach of the provisions of this Article I. by the Insurer, (i) the Insured shall be entitled to equitable relief in the form of specific performance requiring the immediate funding of the Trust Account in

accordance with this Article I., without the requirement of posting a bond or other security and (ii) the Insurer shall not object to, and hereby expressly consents to and waives all defenses to, the entry of such relief against it.

- vii. The Insured shall have the right, but not the obligation, to withdraw Assets from the Trust Account to reimburse the Insured for any amount that becomes due from the Insurer under the terms of this Policy and that is not otherwise paid by the Insurer within five (5) Business Days of the date on which such payment becomes due.
- viii. The requirements of this Article I. apply in addition to and not in lieu of any and all other rights, remedies or causes of action which the Insured may have under this Policy, under any other agreement, or that otherwise may accrue to the Insured at law or in equity.

- (i) The execution and delivery by the Insured of the Policy, and the performance by the Insured under the Policy, do not and will not require the Insured to possess, obtain, make, provide or deliver any consent, waiver, approval, license, permit, order, designation or authorization of, notice to, or registration, filing, qualification or declaration with, any governmental authority or other Person, other than (1) any of which have been unconditionally obtained or effected (as appropriate) and are in full force and effect or (2) any of which the failure to possess, obtain, make, provide or deliver do not or will not, individually or together with any one or more such other failures, result in the Insurer incurring any liability, or have a material adverse effect on (x) the ability of the Insured to perform and comply with its respective obligations under the Policy, or (y) the consummation of the transactions contemplated under the Policy.
- (j) To the best of the Insured's knowledge, the historical loss and loan information was accurate at the time provided.

IV. LIMITATION OF LIABILITY

- (a) The total liability of the Insurer for Aggregate Losses under this Policy shall in no event exceed the Limit of Liability.

- (b) Each payment of a Loss by the Insurer in discharge of its obligations under this Policy shall be credited against the Limit of Liability, and the result shall be the Remaining Limit of Liability as of the date of such payment.
- (c) If, after the Effective Date, a Covered Loan is identified as failing to meet the Eligibility Criteria, such loan shall be excluded from coverage pursuant to Article XII.(b) (Exclusions). Such loan shall be treated as if it had paid-off, the Total Current Principal Balance shall be reduced accordingly, and any Loss previously paid in connection with such loan shall be returned by the Insured to the Insurer.
- (d) At twelve (12) months after the Effective Date, the Remaining Limit of Liability shall automatically be reduced to the lesser of:
 - i. the Remaining Limit of Liability at such date, or
 - ii. the greater of:
 - a. one hundred and fifteen percent (115%) of the sum of the Limit of Liability Percentage multiplied by the then Total Current Principal Balance of all active (i.e., current and delinquent) Covered Loans plus the Limit of Liability Percentage multiplied by the unpaid principal balance as of the date of Default of all Liquidated Covered Loans, or
 - b. five hundred fifty percent (550%) of the then Total Current Principal Balance of all seriously delinquent (i.e., three (3) months or more past due) Covered Loans plus five hundred fifty percent (550%) of the unpaid principal balance as of the date of Default of all Liquidated Covered Loans.

As such, at twelve (12) months after the Effective Date, the Limit of Liability shall also be reduced to the Remaining Limit of Liability at such date, after applying the reduction specified in this Article IV.(d) plus Aggregate Losses in excess of the Aggregate Retention.

- (e) At twenty-four (24) months after the Effective Date, the Remaining Limit of Liability shall automatically be reduced to the lesser of:
 - i. the Remaining Limit of Liability at such date, or
 - ii. the greater of:
 - a. the Limit of Liability Percentage multiplied by the then Total Current Principal Balance of all active (i.e., current and delinquent) Covered Loans plus the Limit of Liability Percentage multiplied by the unpaid principal balance as of the date of Default of all Liquidated Covered Loans, or
 - b. four hundred twenty-five percent (425%) of the then Total Current Principal Balance of all seriously delinquent (i.e., three (3) months

or more past due) Covered Loans plus four hundred twenty-five percent (425%) of the unpaid principal balance as of the date of Default of all Liquidated Covered Loans.

As such, at twenty-four (24) months after the Effective Date, the Limit of Liability shall also be reduced to the Remaining Limit of Liability at such date, after applying the reduction specified in this Article IV.(e) plus Aggregate Losses in excess of the Aggregate Retention.

- (f) At each of thirty-six (36) and forty-eight (48) months after the Effective Date, the Remaining Limit of Liability shall automatically be reduced to the lesser of:
- i. the Remaining Limit of Liability at such date, or
 - ii. the greater of:
 - a. the Limit of Liability Percentage multiplied by the then Total Current Principal Balance of all active (i.e., current and delinquent) Covered Loans plus the Limit of Liability Percentage multiplied by the unpaid principal balance as of the date of Default of all Liquidated Covered Loans, or
 - b. three hundred percent (300%) of the then Total Current Principal Balance of all seriously delinquent (i.e., three (3) months or more past due) Covered Loans plus three hundred percent (300%) of the unpaid principal balance as of the date of Default of all Liquidated Covered Loans.

As such, at each of thirty-six (36) and forty-eight (48) months after the Effective Date, the Limit of Liability shall also be reduced to the Remaining Limit of Liability at such date, after applying the reduction specified in this Article IV.(f) plus Aggregate Losses in excess of the Aggregate Retention.

- (g) At sixty (60) months after the Effective Date and at each 12 month anniversary thereafter, the Remaining Limit of Liability shall automatically be reduced to the lesser of:
- i. the Remaining Limit of Liability at such date, or
 - ii. the greater of:
 - a. the Limit of Liability Percentage multiplied by the then Total Current Principal Balance of all active (i.e., current and delinquent) Covered Loans plus the Limit of Liability Percentage multiplied by the unpaid principal balance as of the date of Default of all Liquidated Covered Loans, or
 - b. two hundred percent (200%) of the then Total Current Principal Balance of all seriously delinquent (i.e., three (3) months or more past due) Covered Loans plus two hundred percent (200%) of the

unpaid principal balance as of the date of Default of all Liquidated Covered Loans.

As such, at sixty (60) months after the Effective Date and at each 12 month anniversary thereafter, the Limit of Liability shall also be reduced to the Remaining Limit of Liability at such date, after applying the reduction specified in this Article IV.(g) plus Aggregate Losses in excess of the Aggregate Retention.

- (h) Notwithstanding any other provision of this Policy to the contrary, the Insurer shall have no liability to pay any Loss once the Aggregate Losses paid by the Insurer equal the Limit of Liability. The Insured shall be solely responsible for any Losses that would otherwise exceed the Limit of Liability.

V. CLAIMS AND REPORTING

- (a) The Insured shall submit to the Insurer monthly a Notice of Claim in the form substantially similar to Exhibit B herein. The monthly Notice of Claim shall be submitted monthly irrespective of whether the Insured is filing a Claim for that month. Where the Insured wishes to file a Claim, such monthly submission shall include a fully completed Notice of Claim on a Covered Loan within one hundred twenty (120) calendar days of the end of the month in which a related REO Sale or Third-Party Sale occurs; provided, however, the Insurer shall have no obligation to make payment for Loss on a Notice of Claim until the Aggregate Retention has been exceeded. The Insured's failure to provide a Notice of Claim within the foregoing period shall not relieve the Insurer of its obligations under this Policy, provided that such late notice does not actually and materially prejudice the Insurer.
- (b) The Insured shall provide written notice to the Insurer that the Aggregate Retention has been exceeded, and thereafter the Insurer shall submit payment for Loss as presented in the Notice of Claim on a Covered Loan within eleven (11) Business Days of its receipt of the Notice of Claim (such date, the "Claim Due Date").
- (c) In the event the Insurer does not pay the Loss by the Claim Due Date, it shall pay interest on the Loss calculated as follows: 1) if the Loss is paid on or before the sixtieth (60th) day following the Claim Due Date, the Net Interest Rate due upon the Covered Loan, commencing on and including the day immediately following the Claim Due Date up to but excluding the date on which the Loss is paid; or 2) if the Loss is paid after the sixtieth (60th) day following the Claim Due Date, the Net Interest Rate due upon the Covered Loan, commencing on and including the day immediately following the Claim Due Date up to and including the sixtieth (60th) day following the Claim Due Date, plus the sum of the Net Interest Rate due upon the Covered Loan and ten percent (10.00%), commencing on and including the day immediately following the sixtieth (60th) day following the Claim Due Date up to but excluding the date on which the Loss is paid. Notwithstanding the foregoing, (i) nothing in this Policy shall be construed as requiring the payment of any rate of interest which would violate any Applicable Law governing allowable rates of interest that are applicable to this Policy; and (ii) the rate of interest payable shall

be construed to be the lesser of the amount calculated hereunder or the maximum amount permitted under Applicable Law.

- (d) As a matter of routine reporting during the Policy, the Insured shall provide the Insurer with the Monthly Servicing Report, which shall be updated and transmitted by the Insured on a monthly basis by the thirtieth (30th) day following the end of each month and covering activity during the preceding month.

VI. CALCULATION OF LOSS

- (a) If a Covered Loan has primary mortgage guaranty insurance that reduces the Insured's loss on such Covered Loan to zero, there is no Loss to calculate in connection with such Covered Loan and no payment shall be due from the Insurer on a Claim for Loss with respect to such Covered Loan.
- (b) If Article VI.(a) above does not apply, then once a Property securing a Covered Loan, or a delinquent Covered Loan itself that is twelve (12) months or more past due, has been sold by, or with the approval of, the Insured, the Loss shall be calculated as the sum of:
- i. the Default Amount, and
 - ii. interest at the Net Interest Rate computed on the Default Amount from the date of Default until the date of the Third-Party Sale or REO Sale, provided, however, that in no event shall the time for which accumulated delinquent interest is included in the Loss exceed forty-five (45) months, and
 - iii. the amount of Advances paid by the Insured prorated (based on the number of days) through the date the Claim is submitted,
- less:
- iv. the amount of all rents and other payments (excluding proceeds of hazard and/or homeowner's insurance) collected or received by the Insured, prior to the earlier of the date the Claim is submitted or required to be submitted, and that the Insured is entitled to retain, which are derived from or in any way related to the Property, if any,
 - v. the amount of cash remaining in any escrow account as of the last payment date, if such cash secures the debt, if any,
 - vi. the amount of cash to which the Insured has retained the right of possession as security for the Covered Loan and all sums as to which the Insured has the right of set-off, if any,
 - vii. the amount paid by the hazard insurer under applicable hazard and/or homeowner's coverage policies, which has not been applied to the cost of restoring and repairing the Property or which has not been applied to the payment of the Covered Loan, if any,

- viii. the net proceeds of the Third-Party Sale or REO Sale, consisting of the gross sales price less all reasonable and necessary costs incurred in obtaining and closing the sale, if any,
 - ix. the Amount Due on MI, if any, and
 - x. the amount of any indemnification or make-whole proceeds paid to the Insured by a Servicer or party otherwise responsible to the Insured in connection with a Covered Loan, if any.
- (c) An example of the Loss calculation is provided in Exhibit C.
- (d) In the event that part or all of the Property is taken by eminent domain, condemnation or by any other proceedings by a federal, state or local governmental unit or agency, the Insured shall require that the Borrower apply the maximum permissible amount of compensation awarded to reduce the unpaid principal balance of the Covered Loan in accordance with Applicable Law and the terms of the Covered Loan.
- (e) Notwithstanding any other provision of this Policy to the contrary, the Insurer shall have no liability to pay any Loss unless and until the Aggregate Losses exceed the Aggregate Retention as specified in the Declarations Page. The Insured shall be solely responsible for Loss until Aggregate Losses exceed the Aggregate Retention.

VII. LOSS ADJUSTMENTS

- (a) **Indemnification Proceeds.** Before the Termination Date, if the Insured is paid any indemnification or make-whole proceeds by a Servicer or party otherwise responsible to the Insured in connection with a Covered Loan after the Insurer has paid a Loss on such Covered Loan, the Insured shall pay to the Insurer such proceeds. All such proceeds paid to the Insurer shall reduce Aggregate Losses.
- (b) **Collection Activities.**
- i. In connection with a Covered Loan where a Notice of Claim is submitted by the Insured pursuant to Article V.(a) (Claims and Reporting) prior to the date the Aggregate Retention has been exceeded, any amounts received by the Insured as a result of Collection Activities shall be retained by the Insured and all such proceeds shall reduce Aggregate Losses.
 - ii. In connection with a Covered Loan where a Notice of Claim is submitted by the Insured pursuant to Article V.(b) (Claims and Reporting) after the Aggregate Losses exceed the Aggregate Retention, any amounts received by the Insured as a result of Collection Activities shall be for the benefit of the Insurer and be paid to the Insurer, net of any third-party expenses incurred by the Insured to receive such amounts or the right to receive such amounts. For purposes of this Article VII.(b)(ii), the Insured shall apply its same standards as it would apply in the normal course of Collection

Activities pursuant to Article VII.(b)(i) above. All such amounts paid by the Insured to the Insurer before the later of (x) the date of payment by the Insurer of the final Loss eligible to be paid under this Policy, or (y) the Termination Date, shall reduce Aggregate Losses.

- (c) Termination Date. For purposes of Article VII.(b)(ii) above, the occurrence of the Termination Date shall not affect the Insured's obligation to pay such amounts to the Insurer.

VIII. CANCELLATION

- (a) This Policy shall automatically cancel on the Termination Date, unless cancelled earlier in accordance with Article VIII.(b) through (f) below. Within sixty (60) days following the Termination Date:
 - i. if the Insured determines that the Aggregate Retention has not been exceeded and would not be exceeded if the Total Current Principal Balance of all Covered Loans then in Default were added to the Aggregate Losses, then this Policy shall cancel on the Termination Date and the Insurer shall not be liable for any payment of Loss;
 - ii. if the Insured determines that the Aggregate Retention has not been exceeded, but would be exceeded if the Total Current Principal Balance of all Covered Loans then in Default were added to the Aggregate Losses, then such Covered Loans in Default shall remain covered under this Policy until the earlier of the date such Covered Loans are no longer in Default or become Liquidated Covered Loans, and the Insurer shall continue to pay Losses in connection with such Liquidated Covered Loans without further payment of premium by the Insured;
 - iii. if the Insured determines that the Aggregate Retention has been exceeded, then all Covered Loans then in Default shall remain covered under this Policy until the earlier of the date such Covered Loans are no longer in Default or become Liquidated Covered Loans, and the Insurer shall continue to pay Losses in connection with such Liquidated Covered Loans without further payment of premium by the Insured; and
 - iv. the Insured will notify the Insurer whether Article VIII.(a)(i), (a)(ii), or (a)(iii) applies.

(Monthly Premium) on or before its due date, the Insurer may cancel this Policy by giving written notice to the Insured stating (i) that the Insurer has not received such Monthly Premium; (ii) that the Insurer intends to cancel the Policy for non-payment of such Monthly Premium; and (iii) the date on which the cancellation shall be effective; provided, however, that in no case shall the proposed cancellation effective date be less than thirty (30) days after the date on which the unpaid Monthly Premium was due. Unless the Insured pays the Monthly Premium prior thereto, the cancellation date proposed in such written notice shall

become the Termination Date of the Policy. If the Insured pays the unpaid Monthly Premium on or before the proposed effective date of the cancellation, the Policy shall continue in full force and effect.

- (c) The Insured shall have the right, but not the obligation, to cancel this Policy in the event that:
- i. the Insurer has become insolvent or has been placed into liquidation, receivership, supervision or administration (whether voluntary or involuntary), or proceedings have been instituted against the Insurer for the appointment of a receiver, liquidator, rehabilitator, supervisor, administrator, conservator or trustee, or other agent known by whatever name, to take possession of its assets or control of its operations;
 - ii. the Insurer is in breach of any representation or warranty set forth in Article II. (Representations and Warranties of the Insurer);

 - vi. the policyholders' surplus (or shareholders equity, as applicable) of the Insurer or of the Insurer's group or holding company is reduced by 25.0% or more of the amount of such surplus reported in the financial statement filed, respectively, by the Insurer or the Insurer's group or holding company with any regulatory authority and available to the public as of the Effective Date;
 - vii. the Insurer (i) has transferred substantially all of its business by reinsurance or otherwise to an unaffiliated entity or entities or (ii) has been, or will be as a result of an announced transaction, the subject of a Change in Control, whether by merger, acquisition, change in ownership or any other means;
 - viii. the Insurer has reinsured its entire liability under this Policy with an unaffiliated entity or entities without the Insured's prior written consent or
 - ix. the Insurer has failed to file annual, audited financial statements, prepared by an independent certified public accountant, with its insurance regulator on or before June 30 for the year ended December 31 immediately preceding.

The Insurer will provide annual, audited financial statements, prepared by an independent certified public accountant and quarterly unaudited financial statements to the Insured and shall notify the Insured if a Termination Event has occurred within five (5) days of such occurrence. If the Insured decides in its sole discretion to cancel this Policy as a result of the occurrence of a Termination Event, the Insured shall give written notice of cancellation to the Insurer, which notice shall identify the ground(s) for cancellation and the date on which the cancellation shall be effective. The cancellation date identified in such written notice shall become the Termination Date of this Policy.

- (d) The Insured may cancel this Policy if, at any time, the Total Current Principal Balance is reduced to no more than ten percent (10.00%) of the Total Initial Principal Balance. If the Insured elects to cancel the Policy pursuant to this Article VIII.(d), the Insured shall give written notice of such termination to the Insurer, which notice shall identify the grounds for the termination and the date on which the termination shall be effective. The termination date identified in such written notice shall become the Termination Date of this Policy.

If the Insured elects to cancel the Policy pursuant to this Article VIII.(e), the Insured shall give written notice of such cancellation to the Insurer, which notice shall identify the grounds for the cancellation and the date on which the cancellation shall be effective. The cancellation date identified in such written notice shall become the Termination Date of this Policy.
- (f) This Policy shall automatically cancel if the Remaining Limit of Liability at any monthly reporting period is zero dollars (\$0.00), subject to adjustment pursuant to Article VII.(a) (Loss Adjustments), and the Insured shall not then be liable for any Monthly Premium, except for outstanding amounts that may have accrued prior to that time and may still be owed thereafter.
- (g) Under all cancellation provisions in Article VIII.(a) through (c) above, the Insured shall not be liable for any Monthly Premium that may accrue after the Termination Date, and the Insurer shall not be liable for any Loss on Covered Loans that Default after the Termination Date. (For the avoidance of doubt with respect to situations described under Article VIII.(a) through (c) above, the Insured shall remain liable to pay any Monthly Premium that accrues prior to, but is not payable until after, the Termination Date.) Under all cancellation provisions in Article VIII.(d) and (e) above, the Insured shall not be liable for any Monthly Premium that may accrue after the Termination Date, and the Insurer shall only be liable to pay Claims filed by the Insured prior to the Termination Date. (For avoidance of doubt with respect to situations described under Article VIII.(d) and (e) above, the Insurer shall not be liable for Loss on Covered Loans that are in Default as of the Termination Date but for which the Insured has not filed a Claim.)

- (h) Notwithstanding the termination of this Policy for any reason, the provisions of this Policy shall continue to apply indefinitely to all obligations and liabilities of the parties incurred hereunder prior to such termination until all such obligations and liabilities are fully performed and discharged. Without limiting the generality of the foregoing, notwithstanding the termination of this Policy for any reason or for no reason, the provisions of this Policy shall continue to apply indefinitely to all obligations and liabilities of the Insurer for Losses on Covered Loans that Default on or prior to the Termination Date.
- (i) Any termination of this Policy pursuant to this Article VIII. or otherwise is in addition to and not in lieu of any other rights, remedies or causes of action which the Insured or Insurer may have under this Policy, under any other agreement or pursuant to Applicable Law.

Each subsequent Monthly Premium shall be calculated as specified on the Declarations Page of this Policy and paid by the thirtieth (30th) day of the month for which it is due. For example, the Monthly Premium due for January shall be paid by January 30. The Insured's obligation to pay Monthly Premium on a Covered Loan ceases on the last day of the month in which such loan becomes a Liquidated Covered Loan.

The Insurer shall give the Insured no less than ten (10) Business Days' written notice of its desire to review such records and books. The Insured shall make those of its books and records so requested available to the Insurer during regular business hours at the Insured's customary place of business or at such other location as is agreed to by the Insurer and the Insured.
- (b) The failure of the Insured to comply with this Article X.(a) shall not relieve the Insurer of its obligation to pay for Loss or to make any payment due under this Policy.

XI. CONFIDENTIALITY

- (a) The Insurer hereby acknowledges that the documents, information and data provided to it by the Insured, whether directly or through an authorized agent, in connection with the placement and execution of this Policy, including all information obtained through any audits and any claims information between the Insured and the Insurer, and any submission or other materials relating to any renewal ("**Confidential Information**") are proprietary and confidential to the Insured and may be subject to laws or other agreements prohibiting the disclosure of such Confidential Information.

- (b) Absent the written consent of the Insured, the Insurer shall hold Confidential Information in strict confidence and shall not disclose any Confidential Information to any third parties, except:

 - v. If any such information is or becomes generally available to the public other than as a result of disclosure by the Insurer in violation of this section;
 - vi. If required by Federal Home Loan Mortgage Corporation (also known as Freddie Mac), the Insurer may disclose to Freddie Mac the Insurer's execution of this Policy, the structure of this transaction as made public by the Insured, as well as the Insurer's percentage share of participation in this Policy;

Each third-party representative of the Insurer and each Reinsurer agree to be bound by this Article XI. or by a separate written confidentiality agreement, containing terms no less stringent than those set forth in this Article XI.
- (d) Notwithstanding the above, in the event that the Insurer is required by court order, other legal process or any regulatory authority to release or disclose any or all of the Confidential Information, the Insurer agrees to provide the Insured with written notice of same at least ten (10) days prior to such release or disclosure, to the extent legally permissible, and to use reasonable efforts to assist the Insured, at the Insured's expense in maintaining the confidentiality provided for in this Article XI. However, notwithstanding anything to the contrary in this Article XI., in no event shall this Article XI. require the Insurer to not comply with the order of any court of law or administrative court, the order of any arbitration and/or dispute resolution panel, the order of any governmental regulator, and/or any other law, regulation or order.

- (e) Any disclosure of Non-Public Personally Identifiable Information shall comply with all state and federal statutes and regulations governing the disclosure of Non-Public Personally Identifiable Information. Disclosing or using this information for any purpose not authorized by Applicable Law is expressly forbidden without the prior consent of the Insured.
- (f) The Insurer shall take all commercially reasonable precautions, including the adoption and/or maintenance of security processes, procedures, and systems, to safeguard and to protect the Confidential Information of the Insurer and all Non-Public Personally Identifiable Information from disclosure and from unauthorized access, including a Security Incident.
- (g) The parties agree that any information subject to privilege, including the attorney-client privilege or attorney work product doctrine (collectively "Privilege") shall not be disclosed to the Insurer until, in the Insured's opinion, such Privilege is deemed to be waived or otherwise compromised by virtue of its disclosure pursuant to this Policy. For any privileged information, the Insured shall endeavor to undertake steps as reasonably necessary to provide the Insurer with the information it reasonably requires to indemnify the Insured without causing a loss of such Privilege. Furthermore, the Insurer shall not assert that any Privilege otherwise applicable to the Confidential Information has been waived or otherwise compromised by virtue of its disclosure pursuant to this Policy.
- (h) The provisions of this Article XI. shall extend to the directors, officers, and employees of the Insurer and its affiliates, and shall be binding upon their successors and assigns.

No insolvency of the Insured and no act of any conservator, liquidator, receiver, administrator, trustee in bankruptcy or other Person administering the estate of the Insured as a consequence of an insolvency, or of any statutory successor, shall cause any liability of the Insurer hereunder to become due earlier or for a higher amount than would have been the case if such insolvency had not occurred or if such act had not been committed.
- (g) **Co-ordination and Duplication of Insurance Benefits** - The coverage under this Policy shall be excess over any mortgage guaranty insurance that may apply to a Covered Loan, regardless of the type of or the effective date of such other coverage.
- (h) **Electronic Data** - The Insurer and the Insured agree that each may originate, maintain, and share information, documents or other data (in this Article XIII.(h) referred to as "data") as electronic records using electronic media generally accepted as usual and customary for business records (e.g., e-mail, secure web-portals) and that such data are as acceptable for all purposes under this Policy as data maintained in printed or written form, so long as the data is not denied legal effect or enforceability solely because it is in electronic form. Notices required by this Policy may be sent by electronic means and, if so sent, shall have the same effect as if sent in paper form.
- (i) **Non-Public Personally Identifiable Information** - Any disclosure of Non-Public Personally Identifiable Information shall comply with all state and federal statutes and regulations governing the disclosure of Non-Public Personally Identifiable Information. - ii. If the Insured is required to make any deduction or withholding pursuant to or on account of FATCA and the Insured does not so deduct or withhold and a liability resulting from such failure to withhold or deduct is assessed directly against the Insured, then the Insurer will indemnify the Insured therefor and promptly pay to the Insured the amount of such liability. The Insurer's indemnification obligation hereunder shall include any related liability for interest and shall include any related liability for penalties.

For the avoidance of doubt, such amount: (i) shall be the amount calculated using the "percentage guaranty option" (or "percentage of loss" or other comparable term as used in the applicable mortgage guaranty insurance policy) specified when the applicable mortgage guaranty insurance coverage was originated; and (ii) shall not be reduced by the fact that the Covered Loan was insured by a mortgage guaranty insurance company that is making partial (or no) payments due to its financial inability or insolvency.

Default does not mean any non-monetary default or violation of any other term or condition of the Covered Loan that would allow for acceleration of the debt or foreclosure or other action to realize upon the security provided by the Covered Loan.
