Since Fannie Mae entered conservatorship, we have helped to stabilize America’s housing market and made significant progress in supporting the recovery and helping to build a sustainable housing finance system for the future. We are helping homeowners in distress and enabling families to buy, refinance, or rent homes.

Since 2009, we’ve improved our performance and we’re making a difference in people’s lives.

We’re strengthening our book of business and changing the industry.

“LEGACY” BOOK
Loans acquired pre-2009

80%

SINGLE-FAMILY BOOK OF BUSINESS

STRONG PROFITABLE +$

“NEW” BOOK
Loans acquired since 2009, with stronger standards, make up a growing share of our overall book.

We help homeowners who are facing hardship.

Our efforts enable families in distress to keep their homes or avoid foreclosure.

We enable families to buy, refinance, or rent homes.

Since 2009, we have provided more than:

$4.3 Trillion in liquidity to the mortgage market

In Q3 2014 we reported:

Net income

$3.9 BILLION

Comprehensive income

$4.0 BILLION

Our third quarter results were strong.

Our profits go back to the American people.

The country invested $116.1 billion in Fannie Mae from 2009 to 2012

Fannie Mae expects to have paid Treasury approximately $134.5 billion in dividends as of Dec. 31, 2014

Dividends do not offset prior draws.

For more information, see our 2014 Third Quarter Form 10-Q, filed with the SEC on November 6, 2014.

Data as of or through September 30, 2014, unless otherwise indicated. Published November 6, 2014.
